By Colin Hancock

The Robertson Garden Club is once again holding the Open Gardens and Spring Fair on the weekend of 13-14 October. Seven beautiful gardens will be open from 10am until 4pm on both Saturday & Sunday. Tickets, garden descriptions and all information will be available at the CTC@Robertson in Hoddle Street (Illawarra Hwy) from 8.30am and also at the gardens.

The Garden Club will also be running a gigantic plant sale with over 2500 cottage garden plants, succulents, rare perennials and others for sale throughout the weekend.

This year will see a range of entertainment including a botanical art and craft exhibition to peruse whilst taking morning tea at the CTC plus music and a sausage sizzle manned by The Robertson Men's Shed. Also in Robertson visitors can enjoy the Heritage Railway Station Waratah Gardens, the Community Markets at The School of Arts on Sunday and a competition for the best dressed commercial window in a botanical theme as you wander through the village.

## About Robertson Garden Club

The Robertson Garden Club is a not for profit organisation and all proceeds raised from the Open Gardens will be returned to the Robertson Community. The club prides itself in supporting the community in many ways with funds from past events going to the Community Technology Centre, RFS, the Robertson Primary School, Robertson Show Society and Ladies auxiliary and the Robertson School of Arts to name a few. This year we have donated \$2000 to the **Drought Relief Fund** and to further assist the drought affected farmers of the region, in March next year, we will cover the cost of entering dairy exhibits in the Robertson Show, our way to show that we understand the plight that many are in. Hopefully many farmers that would usually attend the Show but not in a position to afford the entry fees will have one less thing to worry about and come along to the show and have some fun with their families and forget about their situation for a while. If past years are any indication it will most likely rain on Show day. We can only hope. The Garden Club will once again be the major sponsor of the Horticultural Section at the **Robertson Show** for 2019. Donating prizes and awards in the following categories.

**Champion Vegetable** = \$50 cash plus Award & Ribbon;

**Champion Fruit** = \$50 cash plus Award & Ribbon; **Champion**

**Rose** (from classes 1 to 14) = \$50 cash plus Award & Ribbon;

**Robertson Dahlia Championship** = \$50 cash plus Award &

Ribbon; **Grand Champion Dahlia** = \$80 plus Award & Ribbon

Dy soaked in her four year immersion in Greece, learning the language and culture and sharing it with tourists and visitors. Having a good time the while. As another Greek Island dweller like Zorba she lived according to his spirit of life. "Life is trouble only death is not. Open your belt and look for it" and "You are a good person but you lack one thing; a little madness, without which a person never cuts the bonds and remain free."

Dy was often shocking, especially to those who were shock prone. That shock might be in an authentic response, which was unconventional. It could be amusing. It could be enlightening. It could also be reassuring that there was not only one way of seeing the world. It could be a learning experience.

They say 'uneasy lies the head that wears a crown' but Dy wore her tiara comfortably enjoying her own unseriousness. As a youth of the

Sixties she enjoyed the balmy incense of that era.

Dyan's obvious largeness and loudness was not all there was. Her affection and warmth embraced and comforted adults, children and animals. And if you listened at her funeral to those who knew her intimately she had her own deep seated vulnerabilities. The vulnerable Dy managed her uncertainties just below her courage to be happy.

Dy will never have an exact replacement in Robertson. That is the loss we mourn and where we link with her family in sadness. Though we will retain the bit of Dy which rubbed off on those who met her. We can be thankful that we have experienced her presence which was inspiring for each of us to be who we genuinely are.

# In Memory of Dyan Verity

By Michael D Breen

**Verity. Definition. (From latin *veritas*, truth) Truth, conformity to fact or reality...Oxford Dictionary.**

**Never a name fitted better. Dyan Verity was her own authentic person. She was larger than life, though never grotesque. She had a privileged private education but never traded on it. Rather she used her gifts to benefit many less fortunate. She was no wowser nor snob.**

## The Old Potato Shed In Robertson Set To Turn Into Vibrant Artisans Collective *The SHAC*

By Ric Abel

Located in the Old Potato Shed, Robertson, The SHAC (Southern Highlands Artisans Collective) is seeking to bring together talented artisans and artists from across the Southern Highlands.

Many people have long seen a need to have a centre filled with all the creative talent we have

residing in our beautiful Southern Highlands. Nowhere else in Australia is there such an intense grouping of creative people, yet there is no one place you can go and meet with many of them.

*The SHAC* is in the process of creating a space where people can come and see some of those artisans making things, and be able to buy a wide selection of beautiful, hand made items, located in beautiful Robertson.

Within its dedicated space, you will be able to see artisans and artists at work creating their works, or browse through the dedicated gallery space.

Artworks will be available for sale in the gallery and direct from the artists and artisans. There will also be opportunities for emerging artists of the region to exhibit their work.

*The SHAC* will also hold regular workshops where you can learn direct from talented artisans or partake in creative workshops with guest tutors.

Creatives that wish to take space or be involved with *The SHAC* can contact Rick by email at [enquiries@theshac.com.au](mailto:enquiries@theshac.com.au)

Authorised by the President John Kennis

The Robertson Men's Shed Inc. held their AGM on Tuesday 11 September. A big thank you to all outgoing officers for your efforts this last year. Those elected for 2018/2019 are as follows. President, John Kennis. Vice President, David Ricketts. Secretary, Nigel Walker. Treasurer, John Kennis. Tools, Equipment and Asset Management officer, Graeme Sessions. Membership and Welfare Officer, Bill Sloane. Ordinary Committee Members, Dan Stuart, Russell Bailey and Peter Hart. good BBQ after the elections. Here we are full of sausage sandwiches!

Chris Welsh has started our Book Club, Books @ Robertson Men's Shed Inc (B@RMSI) and some of us are reading William McInnes *A Man's Got To Have A Hobby*. All are welcome, no sign-up, no tests on the book, no judgementalism, just open minds opened further.

It was with great pleasure that our President John was able to report to us that he has confirmed with Wingecarribee Shire Council that we can submit our Development Application (DA) as we now have Crown Lands owners' consent and all other interested parties are "on board", so it is full steam ahead.

We will now prepare all documentation for submission to Council. Once we have a DA we can then apply for infrastructure grants to cover the building costs.....our shed is becoming a reality. As some of you will know the Robertson Men's Shed Inc. (RMSI) volunteers to carry out gardening and some maintenance at the Community Information Centre (CIC). We had a working bee recently and mowed, weeded and mulched the area as well as doing a general tidy. Thanks for helping

John, Dan, Nigel, Dallas and Bill.

The RMSI will also be volunteering on the Robertson Garden Club Open Gardens

Weekend on Saturday the 13th and Sunday the 14th of October, we will run a BBQ sausage sizzle at the CTC and help in other general ways.

The next meeting of the RMSI will be on Tuesday the 9th of October at the CTC from 10AM to 3PM. We will have a BBQ lunch. For further information call the secretary of the RMSI on 0467316070. If you don't have transport please give us a call and we will organise to pick you up and drop you off. ACE a Silver Appleyard Duck did the honours by opening the "Feathers in the Mist" exhibition at the CTC in September to great acclaim and applause. Being a most sociable and amiable fellow he captured hearts, and indeed took all the attention from the lovely artworks which were on display at the latest exhibition at the CTC Gallery entitled "Feathers in the Mist". He was delighted to have been invited as guest of honour and demonstrated not only a great appreciation of the works on display but indeed a great attachment to feathers. Ace socialised, quacking and mingling with the crowd, and even added quite a few feathers (among other contributions) to the exhibition which was a great success showing the works of over 20 artists and craftspeople. This exhibition closed on 30 September and is immediately followed by something special to coincide with the open gardens weekend in Robertson.

"In Garden Stillness" running from 6 - 28 October will be devoted to art which is associated with gardens, from still life and gardenscape paintings to ceramics and garden sculpture. The CTC Gallery opening hours are from 10am - 4pm on Thurs & Fri, and 10am -2pm on Sat & Sun. FOR SOMETHING SPECIAL come along and listen to the brass quintet "THE BRASS CONNECTION". Five brass instrumentalists have kindly agreed to perform at the CTC for the Open Gardens event on Saturday 13 October from 10am until 12 noon, so do come along to Robertson CTC be part of the fun.

### DROUGHT 2018

The Soil is cracked  
 How long will the farmers be backed?  
 The hay sheds are empty  
 The cost of feed has tripled  
 The price of hay is crippling  
 There is no site of mud on our gumboots  
 Farmers are the countries roots  
 The grass wont grow  
 and neither can we sow  
 Farmers are paying for bills  
 Higher than the hills  
 Water is drying  
 Farmers will be crying  
 How long till the drought rebates?  
 For the farmers and their mates  
 The expression on the farmers faces says it all  
 The weather is not the farmer's call

Farmers are thought to be rich  
 By the Kich  
 Just because they have acreage  
 and farmers need knew brokerage  
 There's nothing to Slash  
 And there isn't any cash  
 The dirt is dust  
 but continue they must  
 when milk retails for a dollar  
 it's a bit tough under the collar  
 Moving of the stock  
 makes a farmer's heart like a rock  
 and they ask, please find me some agistment  
 Well before Christmas  
 The help from family and friends  
 makes ends meet  
 A farmer's wealth  
 Can't be measured in health.
